### II. NEGOTIATION AGREEMENT

- A. All parties agree to enter into collective negotiation over a successor agreement no later than October 15th of the calendar year preceding the calendar year in which this agreement expires.
- B. This agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

### III. GRIEVANCE PROCEDURE

#### A. Definitions

1. "A grievance is a claim by a teacher or representatives of teachers based upon the interpretation, application or violation of this agreement, policies or administrative decisions, affecting the terms and conditions of employment of a teacher or a group of teachers."
2. An "aggrieved person" is the person or persons making the claim.

3. A "party of interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim, including the Board of Education.
4. The term "grievance" shall not apply to any matter in which the Board of Education is prohibited by specific statute or case law to act, or a complaint of a non-tenure teacher which arises by reason of his not being reemployed.
5. The term "days" as defined under this article shall be school teaching days.

B. Purpose

The purpose of this procedure is to resolve grievances at the lowest possible level.

Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure. Any teacher having a grievance may discuss the matter informally with any appropriate member of the administration and have the grievance resolved with or without intervention of the Association, provided the solution is not inconsistent with the terms of this agreement and state statutes.

C. Procedure

1. Step One

The aggrieved person presents the grievance orally or in writing, directly or through his Association Representative to his building principal. An interview is arranged within two days; a decision in writing is given by the principal within five days after the interview. If the matter is settled or explained to the aggrieved person's satisfaction, the matter is resolved.

2. Step Two

If the decision made at the first step does not satisfy the aggrieved person, the Association Representative and the aggrieved person has five days to file an appeal with the superintendent. The superintendent or his designee shall arrange another interview with the aggrieved person, within two days. Within five days following the interview, the superintendent shall give his written decision to the aggrieved person and the Association Representative.

### **3. Step Three**

If the aggrieved person is still not satisfied, he may within five days of the superintendent's decision, make a written request to the Board through the Association for a review of the decision. The Board or its designated committee shall set a hearing date to be held within twenty-one days after receipt of aggrieved person's request. Within ten days after the next scheduled board meeting, the Board will notify the aggrieved person and the Association of its decision in writing.

### **4. Step Four**

If the aggrieved person is not satisfied with the Board's decision and the grievance shall involve an alleged violation of a specific article and section of this agreement, he may ask the Association to notify the Board in writing within fifteen days of his desire to submit the grievance to an arbitrator subject to the following conditions:

- a. The arbitrator shall be mutually agreed upon. If no agreement is reached on the selection of an arbitrator after ten days, an arbitrator shall be selected by the rules established by the American Arbitration Association.
  - b. The decision of the arbitrator shall be final and binding on both parties.
  - c. The costs of arbitration, including the arbitrator's fees but excluding the attorney fees, shall be divided equally between both parties.
- D. An aggrieved person shall not have the right to refuse to follow an administrative directive or a board policy on the grounds that he has instituted a grievance. The party of interest is required to continue under the direction of the superintendent and administrators, regardless of the pendency of any grievance, until such grievance is properly determined.
- E. No grievance shall be considered under the grievance procedure outlined herein unless it is presented for consideration within thirty days from the date of its known occurrence or unless good and sufficient reason is given for not presenting the grievance within this period.
- F. Documents dealing with the process of grievances shall be filed separately from the personnel file of the participants.

G. To insure prompt resolution of grievances, all time limits are considered maximum but may be extended by mutual agreement.
